清美

[KIOMI – THE BEAUTY]

## DISTINCTIVELY DIFFERENT. KIOMI COSMETICS

The Kiomi range of cosmetics is based on a water/oil emulsion. The special composition ensures that there is no feeling of skin tension, with natural skin respiration guaranteed.

Kiomi make-up is distinguished by its high luminosity and coverage, while being easy to remove. As it is perfectly safe, it is also ideally suited for children's make-up.

Designed for high definition, Kiomi provides professionals with the opportunity to meet new requirements.

### AquaCream MakeUp

This professional make-up can be easily applied with a brush, finger or sponge.

multicoloured/skin, 50 ml [70000]  
metal, 50 ml [70010]  
multicoloured/skin, 30 ml [70030]  
metal, 30 ml [70031]

### AquaCream MakeUp – liquid –

Its more liquid consistency allows it to be used to cover larger skin areas both easily and efficiently. Dries rapidly.

multicoloured/skin, 100 ml [70100]  
metal, 100 ml [70110]

### AquaCream MakeUp – airbrush –

Ultra-fine and even application, using airbrush technology for soft colour transitions and for any nozzle size.

multicoloured/skin, 30 ml [73130]  
metal, 30 ml [73131]

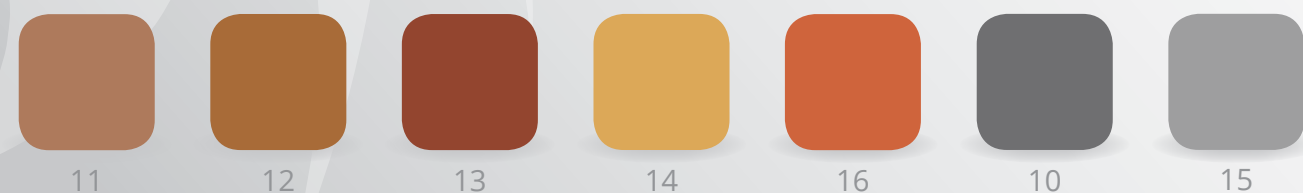

# WORLD OF COLOURS

## SKIN

## METAL

## GREY

*Tip!*

We recommend a priming with white or skin white. After that, the applied tones adhere a lot better and they are much more brilliant.

## MULTICOLOURED
